Local Businesses Partner with Charities

The Stuart/Martin County Chamber has launched a new community-building service called “Chamber for Good”, which allows local charities to raise their visibility within the community and also provides businesses and philanthropic individuals an easy way to become aware of local charities needs, causes and events.

It is the ultimate community building tool! “United Way is pleased to partner with the chamber to promote the benefits of this worthwhile program. It’s a win-win-win for local businesses and charities” says Jim Vojcsik, CEO of the United Way.

Joe Catrambone, President/CEO of the Stuart/Martin County Chamber of Commerce explained how the service works “The Chamber for Good tool allows residents of our community to view local charitable needs posted by local charities sorted into three areas: financial needs, volunteer needs and item needs. All local charities that fit the eligibility guidelines have the ability to create a public profile on the Chamber for Good site, then post needs in the three areas as they arise”. Catrambone said. Residents not only have the ability to browse local charitable needs, but can also make item and volunteer offers. For more information, visit www.StuartMartinChamber.org and follow the link.

Program Coordinator for Youth LEADERship

LEADERship Alumni is seeking a new Program Coordinator for the Martin Youth LEADERship Program. We have been fortunate to have Michelle Katzman serve in that position for the past three years. She has informed us that she wants to do some traveling with her husband so this will be her last year to work with the youth program.

We are looking for an Alumni to volunteer for the youth planning committee this next year with the intent to apply for the part-time job of Program Coordinator for 2014-2015. The planning committee meets on the first Tuesday of each month from 7:30 am to 8:30 am. The job requires approximately twenty-five hours a month as an independent contractor with no benefits. If you are interested in more information, please contact jancy11@aol.com
