WE LOVE EVENTS but sometimes we just want to have a clear calendar. And while those are FUN and FABULOUS, this year we are giving you an opportunity for a contribution that is totally deductible and does not involve you leaving the house.

Youth LEADERship is the signature program of LEADERship Martin County Alumni. Established in 1995, the current Martin Youth LEADERship program serves approximately 35 students from the county's public and private high schools, who participate in a program modeled after LEADERship Martin County.

Students are chosen based on criteria including a desire to reach their full leadership potential, an interest in exploring the numerous aspects of Martin County, agreeing to participate in day-long scheduled sessions, and recognizing the need for continued leadership involvement in school and community following completion of the program.

Each year we raise funds to grant an annual scholarship of \$8,000. This year the board has decided to spare you an event, and simply ask each of you to write a check to support this. A \$100 contribution equals \$8.33 a month to help keep this program thriving...that's less than one cup of coffee each week. Of course, donations at any level are greatly appreciated.

Make your contribution before the end of May (see reverse side). The class with the highest percentage of donors will have all names of the donor members of the class entered into a drawing, and one of those class members will win free alumni dues next year.

Thank you for your support of our community and our youth.
