## Greetings fellow LEADERship Martin County Alumni!

Our team has been working to add some new functions to the website. We've added buttons that will allow you to conveniently "Donate for Scholarships", "Pay Dues", and "Volunteer." These three buttons are one of the first things you will now see on the homepage. By clicking these buttons, you will find a widget that allows you to complete the task you chose. When you complete one of these actions, you will also be updating your information in our database. Your database profile will be flagged as updated, which will then allow someone from our team to update your online profile.

In coming weeks, we will add a button for you to submit updated information without donating, paying dues, or volunteering. I hope you gravitate more to one of the other buttons, but either way- I appreciate your commitment to the LEADERship Martin County Alumni.

As our team updates profiles, we will include the date of the most recent changes on the profiles within the directory. This will help you determine whether or not someone's information may be "fresh." If you see "stale" data on someone's profile that you personally know, please nudge them to contact us. A network will only be as good as its connections, and bad data weakens those connections.

Our membership team is going to review all 877 alumni records on the website to make sure that the data is up-to-date. Please look out for an email from our team. If you don't see one soon, please contact us. We'd love to hear from you!

Wishing you all success for the remainder of 2022!

Best,

Sam Bruning  
Vice President  
LEADERship Martin County Alumni Foundation for Youth, Inc.
